MR. DONALD WINTERS

Because of his outstanding service and contribution to William Carey College, this 1966 CRUSADER is dedicated to Mr. Donald Winters.

Mr. Winters has endeared himself to the students, administration and faculty of Carey. —EIGHT HUNDRED MATURE YOUNG MEN AND WOMEN THROUGH A UNIQUE PROGRAM OF CHRISTIAN HIGHER EDUCATION WHICH EMPHASIZES

—ACADEMIC EXCELLENCE

Carey College is, first of all, concerned with mental growth and development. The primary purpose of the college is to develop in the young person the ability to think soundly, to evaluate ideas, and to clearly express ideas orally and in writing. Carey seeks to expose weak and inconsistent principles.

—SOCIAL COMPETENCE

The small Christian college develops social skills—the art of conversation, the ability to talk in an easy and intelligent manner, appropriate dress, the ability to get along with all kinds of people.

—PHYSICAL WELL-BEING

Good health which issues in alertness and vitality is important for the growing young person. Carey boasts an excellent sports and health program.

—SPIRITUAL VALUES

Carey College is distinct in the emphasis given to the student's development of a Christian philosophy of life—his outlook upon the world, his attitudes, beliefs, and understandings. At Carey, the student is not only seeking an understanding of his world but also an understanding of himself, and of his God.

Yesterday is gone.

Tomorrow is in the lap of today.

Building mature young men and women is William Carey College's biggest business.

Coach John O'Keefe's stalwarts practiced many hours and played many hard games not to have compiled a better overall record than the 14 loss to 9 win total.

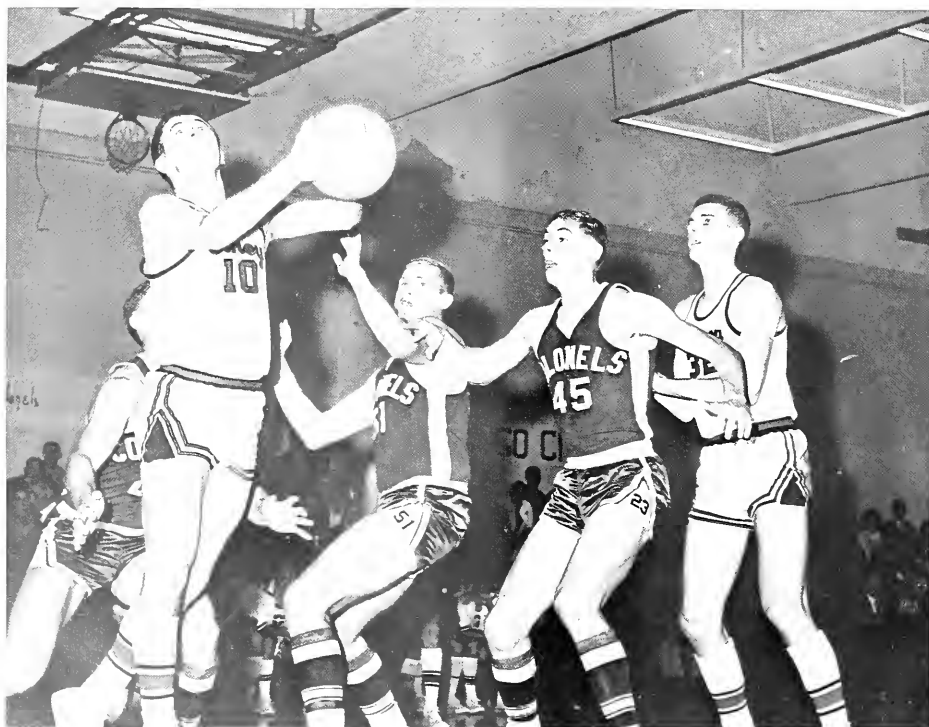

It was a year of ups and downs on the Carey Basketball court in more ways than jumps. The scores, the number of injuries, the playing and traveling conditions, the general working schedule varied from ideal to less than good.

The opening Belhaven Invitational Tournament was an exciting event. Carey lost their first game against Southeastern Louisiana in it, but went on for a Consolation win over Livingston State, 82-87.

Then the red and black got off to a running start with four wins. The year seemed bright with promise until the team, composed of only six returning lettermen, was beset with injuries to key men.

The scoring highlight of the season was the Millsaps-Carey tilt in Jackson in February. Final points were 82 for Millsaps and 102 for Carey.

Since most of the fourteen players were new to the Carey courts they got the experience they needed and should have a rewarding season in the offing. The faculty and student body will look for great games in 1967.
